Allowable Subject Matter

1. Claims 1-3, 5-8 are allowed.
2. The following is an examiner's statement of reasons for allowance: The present invention is directed to a home resource controller system. Each independent claim identifies the uniquely distinct features "recording a receipt of said unique signal in the database record, corresponding to the presence of the household member at home" and "recording a failure of said unique signal in the database record, corresponding to the absence of the household member at home" in combination with the manner claimed, for tracking of the members entry. The closest prior art, Myllymaki US 6,348,867 discloses an automatic control system for actuators and security devices in building automation, however, either singularly or in combination, fail to anticipate or render the above claimed distinction features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Son M Tang whose telephone number is (571)272-2962. The examiner can normally be reached on 4/9 First Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel J Wu can be reached on (571)272-2964. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
